Independent Auditor's Report

To the Members of Manipal Hospitals Private Limited (formerly known as
Columbia Asia Hospitals Private Limited)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Manipal Hospitals Private Limited (formerly known as Columbia Asia Hospitals Private Limited) (the "Company") which comprise the balance sheet as at 31 March 2023, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for

Independent Auditor's Report (Continued)

Manipal Hospitals Private Limited (formerly known as Columbia Asia Hospitals Private Limited)

assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central

Independent Auditor's Report (Continued)

Manipal Hospitals Private Limited (formerly known as Columbia Asia Hospitals Private Limited)

Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- 2 A. As required by Section 143(3) of the Act, we report that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 31 March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company has disclosed the impact of pending litigations as at 31 March 2023 on its financial position in its financial statements - Refer Note 33 to the financial statements.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d (i) The management has represented that, to the best of their knowledge and belief, as disclosed in the Note 44 (vi) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (ii) The management has represented that, to the best of their knowledge and belief, as disclosed in the Note 44 (vii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (iii) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

B S R & Co. LLP

Independent Auditor's Report (Continued)

**Manipal Hospitals Private Limited (formerly known as Columbia Asia
Hospitals Private Limited)**

- e. The Company has neither declared nor paid any dividend during the year.
- f. As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only with effect from 1 April 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable.
- C. In our opinion and according to the information and explanations given to us, the Company is not a public company. Accordingly, the provisions of Section 197 of the Act is not applicable to the Company.

Annexure A to the Independent Auditor's Report on the Financial Statements of Manipal Hospitals Private Limited (formerly known as Columbia Asia Hospitals Private Limited) for the year ended 31 March 2023

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and Right of Use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (i) (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned any working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets at any point of time of the year. Accordingly, clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. The Company has granted loan, provided guarantee or security to Companies and loan to other parties during the year, details of the loans are stated in sub-clause (a) below. The Company has not granted any loans, secured or unsecured, to firms, limited liability partnership during the year.
- (a) Based on the audit procedures carried on by us and as per the information and explanations given to us the Company has provided loan, guarantees and securities to companies and loans to other parties as below:

Annexure A to the Independent Auditor's Report on the Financial Statements of Manipal Hospitals Private Limited (formerly known as Columbia Asia Hospitals Private Limited) for the year ended 31 March 2023 (Continued)

Particulars	Security (in Rs. Lakhs)	Guarantees (in Rs. Lakhs)	Loans (Amount in Rs. Lakhs)
Aggregate amount during the year			
Fellow Subsidiary*	#	#	25,980.00
Others			19.86
Balance outstanding as at balance sheet date			
Fellow Subsidiary*	#	#	25,980.00
Others			19.86

*As per the Companies Act, 2013

During the year, the Company along with Holding company and its fellow subsidiaries has given guarantee and security to various lenders with respect to term loans amounting to Rs. 212,422 Lakhs taken by the Company, its Holding Company and its fellow subsidiaries. Also, refer note 14.1.4 to the financial statements.

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the terms and conditions of the grant of loans provided during the year are, prima facie, not prejudicial to the interest of the Company.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given, in our opinion the repayment of principal and payment of interest has been stipulated and the repayments or receipts have been regular. Further, the Company has not given any advance in the nature of loan to any party during the year.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given. Further, the Company has not given any advances in the nature of loans to any party during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan or advance in the nature of loan granted falling due during the year, which has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to same parties.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.
- (iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, in respect of loans, guarantees and security given by the Company, in our opinion the provisions of Section 185 of the Companies Act, 2013 have been complied with. Further, there are no investments, loans, guarantees and security in respect of which provisions of section 186 of the Act are applicable.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- (vi) We have broadly reviewed the books of accounts maintained by the Company pursuant to the

Annexure A to the Independent Auditor's Report on the Financial Statements of Manipal Hospitals Private Limited (formerly known as Columbia Asia Hospitals Private Limited) for the year ended 31 March 2023 (Continued)

rules prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Act in respect of services provided by it and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not carried out a detailed examination of the records with a view to determine whether these are accurate or complete.

- (vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into GST.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues have generally been regularly deposited by the Company with the appropriate authorities.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues were in arrears as at 31 March 2023 for a period of more than six months from the date they became payable, except as mentioned below:

Name of the statute	Nature of the dues	Period to which the amount relates	Amount (Rs. in lakhs)	Due date	Date of payment
The Payment of Bonus Act 1965 and labour welfare fund regulations of respective states	Unpaid Accumulations related to Bonus	2015 - 16	1.60	30 November 2018	Yet to be paid
		2016 - 17	10.92	30 November 2019	Yet to be paid
		2017 - 18	5.00	30 November 2020	Yet to be paid
		2017 - 18	4.37	30 November 2021	Yet to be paid
		2018 - 19	3.92	30 November 2021	Yet to be paid
		2018 - 19	17.55	30 November 2022	Yet to be paid
		2019 - 20	13.32	30 November 2022	Yet to be

Annexure A to the Independent Auditor's Report on the Financial Statements of Manipal Hospitals Private Limited (formerly known as Columbia Asia Hospitals Private Limited) for the year ended 31 March 2023 (Continued)

Name of the statute	Nature of the dues	Period to which the amount relates	Amount (Rs. in lakhs)	Due date	Date of payment
					paid
The Employee Provident Fund and Miscellaneous Provisions Act, 1952	Provident Fund	March to October 2019	17.36	Various	Yet to be paid

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, statutory dues relating to Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues which have not been deposited on account of any dispute are as follows:

Name of the statute	Nature of the dues	Amount (Rs. in lakhs)	Period to which the amount relates	Forum where dispute is pending	Remarks, if any
Goods and Service Tax Act, 2017	Goods and Service Tax	935.00	2017 - 2023	High Court of Karnataka	
Goods and Service Tax Act, 2017	Goods and Service Tax	1,159.05	2017 - 2022	Deputy Commissioner of Commercial Taxes	Out of the total disputed amount of Rs. 2,537.69 lakhs, Rs. 1,378.64 lakhs towards the demand of GST (without interest) paid under protest
Finance Act, 1994	Service Tax	655.43	2014 - 2017	CESTAT	Out of the total disputed amount of Rs. 1,010.43 lakhs, Rs. 355 lakhs paid under protest
Finance Act, 1994	Service Tax	99.22	2014 - 2017	Commissioner of Service Tax (Appeal)	Out of the total disputed amount of Rs. 129.84 lakhs, Rs. 30.62

Name of the statute	Nature of the dues	Amount (Rs. in lakhs)	Period to which the amount relates	Forum where dispute is pending	Remarks, if any
				Is)	lakhs paid under protest

- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) The Company does not hold any investment in any subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2023. Accordingly, clause 3(ix)(e) is not applicable.
- (f) The Company does not hold any investment in any subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2023. Accordingly, clause 3(ix)(f) is not applicable.
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- (xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) The Company is a private limited company and accordingly the requirements as stipulated by

Annexure A to the Independent Auditor's Report on the Financial Statements of Manipal Hospitals Private Limited (formerly known as Columbia Asia Hospitals Private Limited) for the year ended 31 March 2023 (Continued)

the provisions of Section 177 of the Act are not applicable to the Company. In our opinion and according to the information and explanations given to us and on the basis of our examination of records of the Company, transactions with the related parties are in compliance with Section 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

- (xiv) (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
 - (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
 - (b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
 - (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
 - (d) The Company is not part of any group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016 as amended). Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- (xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project. Accordingly,

B S R & Co. LLP

Annexure B to the Independent Auditor's Report on the financial statements of Manipal Hospitals Private Limited (formerly known as Columbia Asia Hospitals Private Limited) for the year ended 31 March 2023

Report on the internal financial controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Manipal Hospitals Private Limited (formerly known as Columbia Asia Hospitals Private Limited) ("the Company") as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Annexure B to the Independent Auditor's Report on the financial statements of Manipal Hospitals Private Limited (formerly known as Columbia Asia Hospitals Private Limited) for the year ended 31 March 2023 (Continued)

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Also, refer note 13

Note : There are no changes in the accounting policies or prior period events during the current year or previous year.

Below is the nature and purpose of each reserve:

- Securities premium** - Securities premium is used to record the premium received on issue of shares.
- Share based incentive reserve** - Represents the reserve towards the share based incentive programs which was operated by the erstwhile ultimate holding company, International Columbia US LLC to certain employees and directors of the Company. During the previous year ended March 31, 2022, on account of settlement/closure of the share based incentive program due to acquisition of the company by MHEPL, the reserve was closed and it's transferred to retained earnings.
- Re-measurement gain/(loss) on defined benefit plan** - Represents remeasurement gains / (losses) on defined benefit plans (net of tax).
- Retained earnings** - Retained earnings comprises of prior and current period's undistributed earnings after tax.
- Financial guarantee** - This represents the guarantee provided by the erstwhile holding Company against the term loans availed by the Company. During the previous year ended March 31, 2022, on account of acquisition of the company by MHEPL, the guarantee got closed.
- Amalgamation adjustment deficit account** - It represents excess of consideration over carrying value of net assets (including reserves) in case of common control business combination. When there is a surplus in the Statement of profit and loss, this debit can be adjusted against that surplus.

1 Corporate information

Manipal Hospitals Private Limited (formerly known as Columbia Asia Hospitals Private Limited) (the Company) was established in the year 2003 and commissioned its first operating hospital in the year 2005. The Company is a private limited company incorporated under the provisions of the Companies Act of India. The registered office of the Company is located at Bengaluru. The Company operates through various Hospitals/Clinics providing Healthcare services in India.

Effective 26 October 2021, the name of the company has been changed from Columbia Asia Hospitals Private Limited to Manipal Hospitals Private Limited.

2.1 Basis of preparation of the financial statements

(a) Statement of compliance

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013.

The financial statements are approved for issue by the Company's Board of Directors on May 24, 2023.

Details of the accounting policies are included in Note 2.2

(b) Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts are in Indian Rupees lakhs except share data and per share data, unless otherwise stated.

(c) Basis of measurement

The financial statements have been prepared on accrual and going concern basis and the historical cost basis except for the following items:

Items	Measurement
Certain financial assets and liabilities	Fair value
Net defined asset / liability	Fair Value of plan asset less present value of defined benefit obligation

(d) Use of estimates and judgments

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Judgments, assumptions and estimation uncertainties

Information about judgments made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements is included in the following notes:

Judgements:-

- Note 14.2 - Leases and lease classification
- Note 15 and 20- Provisions
- Note 17 - Income taxes including deferred tax
- Note 6 and 33 - Provision for Income tax and other contingencies

Estimates:-

- Note 2.2 (b) and (c) - useful life of property, plant and equipment, intangible assets and right of use assets
- Note 5.2, 10.2, 10.5, 10.6 - Impairment of financial assets
- Note 27, 35 - Employee benefits expense, wages and bonus; key actuarial assumptions
- Note 36 - Financial instruments

(e) Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred. Further information about the assumptions made in measuring fair values is included in the note 36 - financial instruments.

2.2 Summary of significant accounting policies

(a) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle.
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is treated as current when :

- It is expected to be settled in the normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

(b) Property plant and equipment

Property, plant and equipment including capital work in progress is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, import duties, cost of replacing part of the plant and equipment, borrowing costs if the recognition criteria are met and directly attributable cost of bringing the asset to its location and condition necessary for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the company and the cost of the item can be measured reliably.

Property, plant and equipment under installation or construction as at the balance sheet date is shown as capital work-in-progress and the related advances are shown as under Non current assets.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Category of assets	Useful life estimated by management	Useful life as per Schedule II
Building	23 - 30 years	30 years
Leasehold improvements	Lease term	NA
Equipment's	13 years	10 - 15 years
Electrical installations	7 years	10 years
Furniture and fixtures	7 years	10 years
Other fixtures (included in Building)	2 years	10 years
Computers	3 years	3 - 6 years
Vehicles	3-7 years	6 - 10 years

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed of).

Second hand assets are depreciated over the estimated useful life as per technical estimates.

Leasehold land/Leasehold improvements/Leasehold Building are depreciated over the primary lease period or useful life, whichever is shorter, on a straight-line basis.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

The management has estimated, supported by technical assessment, the useful life of the category of assets, which are lower than those indicated in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

(c) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in profit or loss as incurred.

A summary of amortization policies applied to the Company's intangible assets is as below:

Category of assets	Useful life estimated by management
Computer software - application	3-5 years
Computer software - generic	1 year

With effect from April 1, 2020, based on technical evaluation, the Company had revised the estimated useful life of certain categories of property, plant and equipment's and intangible assets. The change in accounting estimate is applied prospectively in accordance with IND AS 8, 'Accounting policies, changes in accounting estimates and errors' and had an impact on the depreciation expense. The financial impact due to change in estimate is given below:

Year ending	(Rs. in lakhs)
	(Decrease)/ increase in depreciation and amortisation charge
March 31, 2021	253.38
March 31, 2022	(452.61)
March 31, 2023	(972.26)
March 31, 2024	(560.60)
March 31, 2025	(526.10)
March 31, 2026	(742.46)
March 31, 2027	(676.91)
March 31, 2028	(623.18)
March 31, 2029	(451.18)
March 31, 2030	(410.40)
March 31, 2031 to March 31, 2040	(4,660.35)
March 31, 2041 to March 31, 2050	2,323.73
March 31, 2051 to March 31, 2060	4,132.98
March 31, 2061 to March 31, 2070	3,061.19
March 31, 2071 to March 31, 2080	304.77

(d) Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long term growth rate is calculated and applied to project future cash flows till perpetuity. Impairment losses of continuing operations, including impairment of inventories, are recognised in the statement of profit and loss.

For all assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit and loss.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit and loss.

(e) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

(f) Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any re-measurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right of use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease or transition to Ind AS 116 "Leases", whichever earlier. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently re-measured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and re-measuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The Company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

The Company has elected not to apply the requirements of Ind AS 116 Leases to short term leases of all assets that have a lock in lease term of 12 months or less, except where it anticipates renewals and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

(g) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient, the Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in section (i) Revenue from contracts with customers.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- i) Financial assets at amortised cost (debt instruments)
- ii) Financial assets at fair value through other comprehensive income (FVTOCI) with recycling of cumulative gains and losses (debt instruments)
- iii) Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition (equity instruments)
- iv) Financial assets at fair value through profit or loss

Financial assets at amortised cost (debt instruments)

A 'financial asset' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. The Company's financial assets at amortised cost includes trade receivables. For more information on receivables, refer to Note 10.2.

Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss are carried in the balance sheet at fair value with net changes in fair value recognised in the statement of profit and loss.

Embedded Derivatives

A derivative embedded in a hybrid contract, with a financial liability or non-financial host, is separated from the host and accounted for as a separate derivative if: the economic characteristics and risks are not closely related to the host; a separate instrument with the same terms as the embedded derivative would meet the definition of a derivative; and the hybrid contract is not measured at fair value through profit or loss. Embedded derivatives are measured at fair value with changes in fair value recognised in profit or loss. Reassessment only occurs if there is either a change in the terms of the contract that significantly modifies the cash flows that would otherwise be required or a reclassification of a financial asset out of the fair value through profit or loss category.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- i) The rights to receive cash flows from the asset have expired, or
- ii) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

The Company recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade receivables and other financial assets, the Company applies a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Company has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

The Company considers a financial asset in default when contractual payments are 90 days past due. However, in certain cases, the Company may also consider a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and financial guarantee contracts.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortised cost (loans and borrowings)

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Company has not designated any financial liability as at fair value through profit or loss.

Financial liabilities at amortised cost (Loans and borrowings)

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(h) Inventories

Inventories of pharmacy items and medical consumables are valued at lower of cost or net realizable value. Cost of these inventories comprises of all costs of purchase and other costs incurred in bringing the inventories to their present location after adjusting for Goods and Services Tax (GST) wherever applicable, applying the first in first out basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs to be incurred to make the sale. Adequate provision is made for slow moving, non-moving and expired inventory, as determined necessary. The comparison of cost and net realizable value is made on an item by item basis.

Non-current assets or disposal group held for sale

Non-current assets, or disposal groups comprising assets and liabilities, are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use.

Such assets, or disposal groups, are generally measured at the lower of their carrying amount and fair value less costs to sell.

Any impairment loss on a disposal group is allocated first to goodwill, and then to the remaining assets and liabilities on a pro rata basis, except that no loss is allocated to inventories, financial assets, deferred tax assets, employee benefit assets, investment property or biological assets, which continue to be measured in accordance with the Group's other accounting policies. Impairment losses on initial classification as held for sale or held for distribution and subsequent gains and losses on remeasurement are recognised in profit or loss. Once classified as held for sale, intangible assets, property, plant and equipment and investment properties are no longer amortised or depreciated, and equity-accounted investee is no longer equity accounted.

Non-current assets classified as held-for-sale and the assets of a disposal group classified as held for sale are presented separately from the other assets in the balance sheet. The liabilities of a disposal group classified as held for sale are presented separately from other liabilities in the balance sheet.

(i) Revenue recognition

Revenue from contracts with customers is recognised as per Ind AS 115, "Revenue from contract with customers", when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services, taking into consideration defined terms of payment and excluding taxes or duties collected on behalf of the government.

Disaggregation of revenue

The Company disaggregates revenue into revenue from rendering hospital services, pharmacy sales and other operating income. The Company believes that this disaggregation best depicts how the nature, amount, timing and uncertainty of Company's revenues and cash flows are affected by industry, market and other economic factors.

The specific recognition criteria described below must also be met before revenue is recognised:

Operating Income

Revenue from Hospital services is recognised as and when the services are performed, unless significant future uncertainties exists, while revenue from sale of pharmacy items is recognised when the control of the goods have passed to the buyer, usually on delivery of the goods. The Company assesses the distinct performance obligations in the contract and measures to at an amount that reflects the consideration it expects to receive, net of Goods and Services Tax and adjusted for discounts and concessions.

Interest Income

For all debt instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit or loss.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "finance income" in the statement of profit and loss.

Contract balances

Unbilled revenue

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. The Company based on the contractual terms and past experience determines the performance obligation satisfaction over time. Unbilled revenue is recognised for the service rendered where patients are not discharged and final invoice is not raised for the service.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in section (i) Financial instruments – initial recognition and subsequent measurement.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs its obligation under the contract.

(j) **Foreign currencies**

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates (i.e. the "functional currency"). The Company's financial statements are presented in INR, which is also the Company's functional and presentation currency.

Transactions and balances

Foreign currency transactions are recorded on initial recognition in the functional currency using the exchange rate prevailing at the date of the transaction. However, for practical reasons, the Company uses an average rate if the average approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on the settlement or translation of monetary items are recognised in the statement of profit or loss.

(k) **Retirement and other employee benefits**

Retirement benefit in the form of Provident Fund and Pension Fund are defined contribution schemes. The Company recognizes contribution payable to the schemes as an expense, when an employee renders the related service. The Company has no obligation, other than the contribution payable to the fund.

The Company operates a defined benefit plan for its employees for gratuity. The costs of providing benefits under this plan is determined on the basis of actuarial valuation at each year end using the projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, excluding amounts included in net interest on the net defined benefit liability (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to the statement of profit and loss in subsequent periods.

Past service costs are recognised in the statement of profit or loss on the earlier of:

- The date of the plan amendment or curtailment and
- The date that the Company recognises related restructuring costs

Interest is calculated by applying the discount rate to the defined benefit liability. The Company recognises the following changes in the defined benefit obligation as an expense in the statement of profit and loss:

- (i) Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- (ii) Interest expense

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. The Company presents the entire leave as a current liability in the balance sheet, since it does not have an unconditional right to defer its settlement beyond 12 months after the reporting date.

(l) **Taxes**

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income Tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amounts are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss (either in OCI or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences except:

- where deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss

- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the statement of profit or loss is recognised outside the statement of profit or loss (either in OCI or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and to the same taxation authority.

(m) **Earnings Per Share (EPS)**

Basic EPS amounts are calculated by dividing the net profit/(loss) for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit/(loss) for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

Manipal Hospitals Private Limited (formerly known as Columbia Asia Hospitals Private Limited)
Notes to financial statements for the year ended March 31, 2023

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period adjusted for treasury shares held. Diluted earnings per share is computed using the weighted-average number of equity and dilutive equivalent shares outstanding during the period, using the treasury stock method for options and warrants, except where the results would be antidilutive.

(n) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Where the Company expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of profit or loss net off any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Decommissioning liability

The Company records a provision for decommissioning costs to dismantle and remove the leasehold improvements from the leased premises. Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognised as part of the cost of the particular asset. The cash flows are discounted at a current pre-tax rate that reflects the risks specific to the decommissioning liability. The unwinding of the discount is expensed as incurred and recognised in the statement of profit and loss as a finance cost. The estimated future costs of decommissioning are reviewed annually and adjusted as appropriate. Changes in the estimated future costs or in the discount rate applied are added to or deducted from the cost of the asset.

Onerous contracts

A contract is considered to be onerous when the expected economic benefits to be derived by the Company from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before such a provision is made, the Company recognises any impairment loss on the assets associated with that contract.

(o) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements unless the possibility of an outflow of resources embodying economic benefits is remote.

Contingent liabilities and commitments are reviewed by the management at each balance sheet date.

(p) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

(q) Segment accounting policies

Operating segment are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM"). The Board of Directors of the Company has been identified as the Chief Operating Decision Maker. (refer note 38 on segment reporting).

(r) Corporate Social Responsibility (CSR) expenditure

CSR expenditure as per provisions of section 135 of Companies Act, 2013 read with The Companies (Corporate Social Responsibility Policy) Rules, 2014, is charged to the statement of profit and loss as an expense as and when incurred.

(s) Cash flow statement

Cash flows are reported using the indirect method, whereby net profit/ (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated. Bank overdrafts are classified as part of cash and cash equivalent, as they form an integral part of an entity's cash management.

(u) Share capital

(i) Equity shares

Incremental costs directly attributable to the issue of equity shares are recognised as a deduction from equity. Income tax relating to transaction costs of an equity transaction is accounted for in accordance with Ind AS 12.

(v) Standards issued but not effective

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standards) Amendment Rules, 2023 dated March 31, 2023 to amend the following Ind AS which are effective from April 01, 2023.

Manipal Hospitals Private Limited (formerly known as Columbia Asia Hospitals Private Limited)
Notes to financial statements for the year ended March 31, 2023

(i) Definition of Accounting Estimates - Amendments to Ind AS 8

The amendments clarify the distinction between changes in accounting estimates and changes in accounting policies and the correction of errors. It has also been clarified how entities use measurement techniques and inputs to develop accounting estimates.

The amendments are effective for annual reporting periods beginning on or after April 01, 2023 and apply to changes in accounting policies and changes in accounting estimates that occur on or after the start of that period.

The amendments are not expected to have a material impact on the Company's financial statements.

(ii) Disclosure of Accounting Policies - Amendments to Ind AS 1

The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures.

The amendments to Ind AS 1 are applicable for annual periods beginning on or after April 01, 2023. Consequential amendments have been made in Ind AS 107.

The Company is currently revisiting their accounting policy information disclosures to ensure consistency with the amended requirements.

(iii) Deferred Tax related to Assets and Liabilities arising from a Single Transaction - Amendments to Ind AS 12

The amendments narrow the scope of the initial recognition exception under Ind AS 12, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences.

The amendments should be applied to transactions that occur on or after the beginning of the earliest comparative period presented. In addition, at the beginning of the earliest comparative period presented, a deferred tax asset (provided that sufficient taxable profit is available) and a deferred tax liability should also be recognised for all deductible and taxable temporary differences associated with leases and decommissioning obligations. Consequential amendments have been made in Ind AS 101. The amendments to Ind AS 12 are applicable for annual periods beginning on or after April 01, 2023.

The Company is currently assessing the impact of the amendments.

Terms and conditions of transactions with related parties

The sales/purchases, income/expenses, loans from/to related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. During the current and previous years, the Company has not recorded any impairment of receivables relating to amounts owed by related parties. This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

33 Contingent liabilities

	(Rs. in lakhs)	
	March 31, 2023	March 31, 2022
(A) Claims against the Company not acknowledged as debts		
i) Patient Compensation	236.50	216.00
ii) Indirect Tax		
Goods and Service Tax Act, 2017	3,519.64	847.89
Finance Act, 1994	754.65	781.99
(B) Guarantees		
i) Bank guarantees	36.91	217.97
	<u>4,547.70</u>	<u>2,063.85</u>

(i) Patient Compensation

There are certain claims made against the Company in respect of patient compensation. The cases are pending with various Consumer Disputes Redressal Commissions. Based, on the legal counsel's views, the management does not expect these claims to succeed. Accordingly, no provision for liability has been recognized in the financial statements.

(ii) Indirect Tax Demand

Goods and Service Tax Act, 2017

(a) The Company went in for Advance Ruling seeking clarification on chargeability of GST on activities performed by its employees at the Corporate office in the course of or in relation to employment viz., accounting, other administrative and IT system maintenance for its units located in states outside of the Karnataka. The Authority for Advance Ruling passed an order calling it as supply and hence chargeable to GST which may result in cash outflow as mentioned above including interest till 31 March 2022. Aggrieved by the order, the company appealed against the said order with the Appellate Authority of Advance Ruling (AAAR) which again passed the order in favour of Revenue. Impugned by the order passed by AAAR, the Company has filed a writ petition with the Honourable high court of Karnataka on 26th April 2019 to quash the said order. Fresh Interlocutory Applications, challenging the validity of constitution of AAR/AAAR was listed for hearing in April 2021. The matter was heard and the respondents (Union and State) were directed to file objections. Expected liability as on March 31, 2023 is Rs. 935 lakhs (As on 31st March 2022: 843.23 lacs).

(b) During the year 2016-17, while filing TRAN-1- Transitional ITC for CENVAT Credit and Value added Tax (VAT) credit, the Company has inadvertently claimed SGST credit in TRANS-1 amounting to Rs. 46.64 lakhs while there was no VAT credit available to be transitioned to Goods and Service Tax (GST). Upon realizing its mistake, the Company has voluntarily remitted back the same amount. Subsequently, the department issued notice for difference in credit claimed as per Tran 1 and VAT returns and has demanded interest of Rs. 6.89 lakhs and penalty of Rs. 4.66 lakhs as applicable under KGST Act. The Company has thereafter made payment of the interest in 2021. Considering the above fact, that the Company has already remitted the impugned amount even before the authorities identified along with the interest, the company believes it has a good case and the penalty imposed would be set aside.

(c) During the month of February 2023, Intimation in DRC-1A is received wherein demand is raised of Rs.3303 lakhs (Rs.1809 lakhs as GST liability and Rs.1494 lakhs as interest) pertaining to incorrect apportionment of Input Tax Credit ('ITC') including non-payment of GST on corporate guarantee. For the FY 2017-18 and 2018-19 it has been alleged that the Company has inadvertently availed ITC on supply of medicines to in-patients and is liable to reverse the same. For the FY 2019-20 to 2021-22 it has been alleged that Company has short reversed input tax credit in terms of Section 17(2) of the CGST Act. As on year ended March 31, 2023, the demand got reduced to Rs.2538 lakhs (Rs.1378 lakhs as GST liability and Rs.1159 lakhs as interest). Based on the legal opinion, the company has paid an amount of Rs.1378 lakhs towards the demand of GST (without interest) under protest.

Finance Act, 1994

(a) Commissioner, Central Tax (Audit-1, Commissionerate) has issued show cause notice no.54/2020-21 CTA-1/Commr. dtd.30.12.2020 towards non-reversal of Cenvat credit/non-payment of Service Tax payable under provisions of Rule 6 of the Cenvat Credit Rules, 2004 in respect of exempted services for the period from 01-10-2014 to 30-06-2017 for an amount of Rs. 1010.43 lakhs including interest and penalty. The Company has remitted the tax amount of 355 lakhs under protest and filed response to the notice before the Principal Commissioner/ Commissioner of Central Tax, East Commissionerate on February 26, 2021. The authorities vide OIO No. 57/2021 dt. 30.11.2021 confirmed the aforesaid demand including interest and penalty. Aggrieved by the impugned order, the appellant files the appeal with CESTAT on 18th April 2022.

(b) Deputy Commissioner, Circle IV, Central Tax (Audit-1, Commissionerate) has issued show cause notice no.47/2020-21 CTA-1/Dy Commr. dtd.18.12.2020 towards non-payment of Service Tax under reverse charge on services received from Director of the Company payable under Section 68(2) of the Finance Act, 1994 for an amount of Rs. 129.84 lakhs (March 31, 2022: 126.56 lakhs) including interest and penalty. The Company has filed its response to the show cause notice before the Deputy/Assistant Commissioner of Central Tax East division -5, Bangalore East Commissionerate on January 18, 2021. The authorities vide OIO No. 199/2022 dt. 31.03.2022 confirmed the aforesaid demand including interest and penalty. Aggrieved by the impugned order, the appellant files the appeal with Commissioner of Service Tax (Appeals) on 16th June 2022 and remitted the tax amount of Rs. 30.62 lakhs under protest.

Based on the discussions, the Company had with the tax experts, they are of the view that the Company has good case on merits and has higher probability of winning the above cases, both under GST and Finance Act. Accordingly, it has been disclosed as a contingent liability.

(iii) The Company along with MHEPL, MHBPL, MHDPL, and MHJPL have provided corporate guarantee and security in the form of first charge on pari passu basis over fixed assets and current assets (as defined in the facility agreements) for the term loan amounting to Rs. 212,422 lakhs availed by the Company, MHEPL, MHDPL and HCMCT (Silo) from various lenders.

34 Capital Commitments and other commitments

As at March 31, 2023, the company has a commitment towards purchase of capital asset of Rs. 4,553.01 lakhs (March, 31 2022: Rs. 6,627.69 lakhs)

35 Employee benefit plan

(i) Defined contribution plan:

Amount recognised and included in note 27, 'Contribution to provident and other funds' in statement of profit and loss of Rs. 1032.39 lakhs (March 31, 2022: Rs. 824.35 lakhs).

(ii) Defined benefit plan:

The Company has a defined benefit gratuity plan. Under this plan, every employee who has completed five years or more of service gets a gratuity on departure at 15 days of last drawn salary for each completed year of service. The gratuity plan is a funded plan and the Company makes contributions to funds maintained with an insurance company.

The following tables summarize the components of net benefit expense recognized in the statement of profit and loss and amounts recognized in the balance sheet

	(Rs. in lakhs)	
	March 31, 2023	March 31, 2022
a) Statement of profit and loss and other comprehensive income		
i) Net employee benefit expense recognized in the statement of profit or loss		
Current service cost	237.78	216.96
Past service cost	-	3.30
Interest cost on benefit obligation	75.01	59.12
Expected return on plan assets	(31.19)	(15.90)
Net benefit expense charged to statement of profit or loss	281.60	263.48
ii) Remeasurement		
Actuarial changes arising from changes in financial assumptions	(55.74)	(1,525.58)
Actuarial changes arising from changes in demographic assumptions	-	1,164.83
Experience adjustments	(24.42)	(63.44)
Return on plan assets excluding interest income	14.46	(8.15)
Total amount recognised in other comprehensive income	(65.70)	(432.34)
b) Balance Sheet		
Defined benefit obligation		
Present value of funded defined benefit obligation	1,109.07	1,095.66
Fair value of plan assets	465.85	449.12
Unfunded status	643.22	646.54
Net liability arising from defined benefit obligation	643.22	646.54
Non current	643.22	646.54
Current	-	-
Plan Liability	643.22	646.54
c) Change in projected benefit obligations		
Defined benefit obligation at the beginning of the year	646.54	864.39
Fair value of plan assets at the beginning of the year	449.12	473.44
Current service cost	237.78	216.96
Past service cost	-	3.30
Interest cost	75.01	59.13
Benefits paid	(219.22)	(97.37)
Remeasurement of gain in other comprehensive income:		
Actuarial gain arising from change in financial assumptions	(55.74)	(1,525.58)
Actuarial loss arising from change in demographic assumptions	-	1,164.83
Actuarial (gain)/loss on account of experience adjustments	(24.42)	(63.44)
Fair value of plan assets at the end of the year	(465.85)	(449.12)
Obligations at end of the year	643.22	646.54
d) Movements in the fair value of plan assets are as follows		
Fair value of plan assets at the beginning of the year	449.12	473.44
Interest income	31.19	15.90
Actuarial gain/(loss) on plan assets	(14.46)	8.15
Contribution paid into the plan	219.22	49.00
Benefits paid	(219.22)	(97.37)
Fair value of plan assets at the end of the year	465.85	449.12
Defined plan asset		

Plan assets consist of assets held in a "long-term benefit fund" for the sole purpose of making future benefit payments when they fall due. Plan assets include qualifying insurance policies and are not quoted in the market.

e) The principal assumptions used in determining gratuity liability for the Company's plan are shown below:

Discount rate	7.45%	7.05%
Increase in compensation cost	6.00%	6.00%
Retirement Age	60 years	60 years

Employee turnover

Age (Years)		Rate (p.a.)	
March 31, 2023	March 31, 2023	March 31, 2022	March 31, 2022
21 - 30	24.04%	21 - 30	24.04%
31 - 34	5.81%	31 - 34	5.81%
35 - 44	4.73%	35 - 44	4.73%
45 - 50	0.75%	45 - 50	0.75%
51 - 54	0.10%	51 - 54	0.10%
55 - 59	0.03%	55 - 59	0.03%

Mortality rates are as per Indian Assured lives Mortality (2012-14) Ult [March 31, 2022: Indian Assured lives Mortality (2012-14) Ult.]

The estimates of future salary increases, considered in actuarial valuation take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

	March 31, 2023		March 31, 2022	
	0.5% Increase	0.5% Decrease	0.5% Increase	0.5% Decrease
Discount rate	(5.79%)	6.34%	(5.99%)	6.56%
Future salary growth	6.40%	(5.90%)	6.60%	(6.07%)

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

Maturity profile of defined benefit obligation:

	March 31, 2023	March 31, 2022
Within 1 year	62.10	63.39
Between 2 and 5 years	269.80	255.90
Between 6 and 10 years	3,067.42	2,917.92

The average duration of the defined benefit planned obligations at the end of the reporting period is 12.12 years (March 31, 2022 : 12.53 years)

36 Fair values and hierarchy

Accounting classification and fair value of financial instruments is as follows. The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

- The fair value of the quoted mutual funds are at Level 1 of Fair value hierarchy and are measured based on Net Asset Value (NAV) in active markets at the reporting date.

- The fair value of the financial assets (other than mutual funds) and financial liabilities were based on amortised cost at the reporting date.

The following table provides the fair value measurement hierarchy of financial assets and liabilities of the Company:

Quantitative disclosures fair value measurement hierarchy valued as at March 31, 2023:

March 31, 2023	(Rs. in lakhs)			
	Level 1	Level 2	Level 3	Total
Financial assets (at FVTPL)				
Investment in mutual funds (quoted) (non-current)	1,499.65	-	-	1,499.65
Investment in mutual funds (quoted) (current)	20,809.85	-	-	20,809.85
	<u>22,309.50</u>	-	-	<u>22,309.50</u>

Quantitative disclosures fair value measurement hierarchy valued as at March 31, 2022:

March 31, 2022	(Rs. in lakhs)			
	Level 1	Level 2	Level 3	Total
Financial assets (at FVTPL)				
Investment in mutual funds (quoted) (non-current)	18.46	-	-	18.46

Other Financial assets (current)	10.6	-	1,387.89	1,387.89
		25,317.91	11,974.70	37,292.61
Financial liabilities:				
Borrowings (includes current maturities of long-term borrowings)	14.1	-	29,985.93	29,985.93
Lease liabilities (Non-current and current)	14.2	-	53,060.36	53,060.36
Trade payables	18.2	-	19,298.62	19,298.62
Other current financial liabilities	19	-	698.18	698.18
		-	1,03,043.09	1,03,043.09

The Company does not have any financial instruments which are measured at FVTOCI

There have been no transfers among Level 1, Level 2 and Level 3 during the years ended March 31, 2023, March 31, 2022.

The management assessed that fair value of cash and cash equivalents and other bank balances, trade receivables, trade payables and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

37 Financial risk management

The Company's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, investments, trade and other receivables and cash and cash equivalents that are derived directly from its operations.

The Company's activities expose it to market risk, credit risk and liquidity risk. The Company's management oversees the management of these risk and works towards minimizing the potential adverse effects, if any, on its financial performance.

A. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises interest rate risk and currency rate risk. Financial instruments affected by market risk include loans and borrowings, payables, investments and deposits. The sensitivity analyses in the following sections relate to the position as at March 31, 2023 and March 31, 2022. The sensitivity of the relevant Profit and Loss item is the effect of the assumed changes in the respective market risks. This is based on the financial assets and financial liabilities held as of March 31, 2023 and March 31, 2022.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates in form of Term loans.

Exposure to interest rate risk

The interest rate profile of the Company's interest-bearing financial instruments are as follows:

Fixed rate instruments	(Rs. in lakhs)	
	March 31, 2023	March 31, 2022
Financial asset		
Bank deposits due to mature within twelve months from the reporting date	1,993.55	2,677.71
Deposits with banks due to mature after twelve months from the reporting date	1,110.16	220.65

Variable rate instruments	(Rs. in lakhs)	
	March 31, 2023	March 31, 2022
Financial asset		
Investments in mutual funds (quoted)	22,309.50	25,299.45
Financial liability		
Borrowings (non-current and current)	37,560.91	29,985.93

Sensitivity analysis for fixed rate instruments

Based on the closing balance of variable instruments, an increase/ decrease in interest rate by 1%, with all other variables remaining constant would result in increase/ decrease in interest cost by Rs. 31.03 lakhs (year ended March 31, 2022: Rs. 28.98 lakhs).

Sensitivity analysis for variable rate instruments

Based on the closing balance of variable instruments, an increase/ decrease in interest rate by 1%, with all other variables remaining constant would result in increase/ decrease in interest cost by Rs. 598.70 lakhs (year ended March 31, 2022: Rs. 552.85 lakhs)

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a foreign currency)

Particulars of unhedged foreign currency exposure as at the reporting date:

Particulars	March 31, 2023		March 31, 2022	
	USD (million)	(Rs. in lakhs)	USD million	(Rs. in lakhs)
Import trade payable (USD)	0.02	14.75	-	-
Capital creditors	0.07	56.82	-	-
Advances to suppliers	0.01	6.02	-	-
Capital advances	0.08	67.44	-	-

Foreign currency risk sensitivity

The sensitivity of profit or loss to changes in exchange rates arises mainly from foreign currency denominated financial instruments. The following table demonstrates the sensitivity to a reasonably possible change in USD exchange rates, with all other variables held constant:

Depreciation of INR against USD by 1% results in decrease in profit before tax by Rs. Nil lakhs (March 31, 2022: Nil) and appreciation of INR against USD by 1% results in increase by such amount.

B. Credit risk

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from its trade receivables, cash and cash equivalents and financial assets.

Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables are monitored on a continuous basis by the management.

(i) Trade and other receivables:

The Company establishes an allowance for impairment that represents its estimate of expected losses in respect of trade and other receivables based on the past and the recent collection trend. The maximum exposure to credit risk as at reporting date is primarily from trade receivables amounting to Rs. 7639.89 lakhs (March 31, 2022 Rs. 4,922.34 lakhs). The movement in allowance for impairment in respect of trade and other receivables during the year was as follows:

	(Rs. in lakhs)	
	March 31, 2023	March 31, 2022
Opening balance	1,072.61	932.31
Provision during the year (net)	413.96	140.30
Closing balance	1,486.57	1,072.61

There is no significant concentration of credit risk and no single customer accounted for more than 10% of the revenue as of March 31, 2023 and March 31, 2022.

(ii) Financial instruments and deposits:

Credit risk on cash and cash equivalents is limited as the Company generally transacts with banks with high credit ratings assigned by international and domestic credit rating agencies. Investments of surplus funds, temporarily, are made only with approved counterparties, mainly mutual funds and fixed deposits who meet the minimum threshold requirements under the counterparty risk assessment process.

C. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Also, the Company has unutilized credit limits with banks.

The table below summarises the maturity profile of the Company's financial liabilities based on undiscounted contractual payments:

	(Rs. in lakhs)		
	March 31, 2023		
	Less than 1 year	More than 1 year	Total
Borrowings (includes current maturities of long-term borrowings)	7,926.57	42,697.53	50,624.10
Lease liabilities (non-current and current)	6,226.18	2,08,526.83	2,14,753.01
Trade payables	24,344.69	-	24,344.69
Other current financial liabilities	2,470.18	-	2,470.18
	March 31, 2022		
	Less than 1 year	More than 1 year	Total
Borrowings (includes current maturities of long-term borrowings)	6,433.62	31,300.58	37,734.20
Lease liabilities (non-current and current)	3,796.15	1,32,824.23	1,36,620.38
Trade payables	19,298.62	-	19,298.62
Other current financial liabilities	698.18	-	698.18

38 Capital management

The primary objective of Company's capital management is to ensure that it maintains an optimum financing structure and healthy returns in order to support its business and maximize shareholder value.

The Company manages its capital structure and makes adjustments, in light of the changes in economic conditions or business requirements.

The Company monitors capital using a gearing ratio which is net debt divided by total equity plus net debt as shown below.

- Net debt includes borrowings (long term and short term) less cash and cash equivalents and
- Total equity comprises of issued share capital and all other equity components attributable to equity share holder.

	(Rs. in lakhs)	
	March 31, 2023	March 31, 2022
Borrowings (note 14.1)	37,560.91	29,985.93
Lease liabilities (note 14.2)	53,745.12	53,060.36
Less: Cash and cash equivalents (note 10.3)	(2,077.55)	(1,598.86)
Less: Investment in mutual funds (quoted) (refer note 5.1 & 10.1)	(22,309.50)	(25,299.45)
Net debt (A)	66,918.98	56,147.98
Total equity attributable to the equity share holders of the Company (excluding share based incentive reserve) (note 12 and note 13)	68,708.44	51,514.31
Total capital (B)	68,708.44	51,514.31
Capital and net debt (C = A+B)	1,35,627.42	1,07,662.29
Gearing ratio (D = A / C)	49%	52%

39 Segment information:

The Board of Directors of the Company has been identified as the Chief Operating Decision Maker (CODM) as defined by Ind AS 108, Operating Segments. The CODM evaluates the Company's performance and allocates resources based on an analysis of healthcare services in India.

The Company is primarily engaged in a single segment (business and geographical) i.e., Healthcare services in India. As the Company's business activity primarily falls within a single business and geographical segment, there are no additional disclosures to be provided in terms of Ind AS 108 on 'Operating Segments'.

40 Corporate Social Responsibility ('CSR') expenditure

Consequent to the requirements of Section 135 and Schedule VII of the Companies Act, 2013, the Company is required to contribute 2% of its average net profits during the immediately three preceding financial years in pursuance of its Corporate Social Responsibility Policy.

(a) Gross amount required to be spent by the Company during the year is Rs. 100 lakhs (March 31, 2022: Rs. Nil)

(b) Amount spent:

Promoting healthcare, education, gender equality, ensuring environment sustainability, training for rural sports and rural development objects.

	(Rs. in lakhs)		
	In cash	Yet to be paid in cash	Total
Year ended March 31, 2023	100.00	-	100.00
Year ended March 31, 2022	-	-	-

(c) Details related to spent / unspent obligations:

	(Rs. in lakhs)	
	March 31, 2023	March 31, 2022
(i) Contribution to Public Trust	-	-
(ii) Contribution to Charitable Trust (refer note 32)	100.00	-
(iii) Unspent amount in relation to:		
- Ongoing project	-	-
- Other than ongoing project	-	-
	100.00	-

Details of other than ongoing project

As on March 31, 2023

	Amount deposited in Specified Fund of Sch. vii within 6 months	Amount required to be spent during the year	Amount spent during the year	Closing balance
Opening balance	-	100.00	100.00	-

As on March 31, 2022

	Amount deposited in Specified Fund of Sch. vii within 6 months	Amount required to be spent during the year	Amount spent during the year	Closing balance
Opening balance	-	-	-	-

41 Reconciliation of movements of liabilities to cash flows arising from financial liabilities

	(Rs. in lakhs)			
	Term loans	Lease liability	Loan for purchase of capital asset	Total
Debt as at April 01, 2022	29,985.93	53,060.36	-	83,046.29
Interest accrued but not due as at March 31, 2022	23.42	-	-	23.42
Addition during the year	-	421.16	-	421.16
Cash flows including interest paid				
- Cash flows (net)	7,524.98	-	50.00	7,574.98
- Interest paid	(3,301.04)	(5,647.71)	(1.04)	(8,949.79)
Non-cash changes				
- Leases reversal/Adjustments	-	(541.81)	-	(541.81)
- Interest expense	3,410.83	5,797.57	1.04	9,209.44
- Interest capitalised	-	655.55	-	655.55
Interest accrued but not due as at March 31, 2023	(133.21)	-	-	(133.21)
Debt as at March 31, 2023	37,510.91	53,745.12	50.00	91,306.03
	Term loans	Lease liability	Loan for purchase of capital asset	Total
Debt as at April 01, 2021	34,203.03	49,451.78	-	83,654.81
Interest accrued but not due as at March 31, 2021	8.95	-	-	8.95
Addition during the year	-	1,594.57	-	1,594.57
Cash flows including interest paid				
- Cash flows (net)	(4,383.61)	-	-	(4,383.61)
- Interest paid	(3,796.04)	(4,160.87)	-	(7,956.91)
Non-cash changes				
- Interest expense	3,977.02	4,468.07	-	8,445.09
- Interest capitalised	-	1,706.81	-	1,706.81
Interest accrued but not due as at March 31, 2022	(23.42)	-	-	(23.42)
Debt as at March 31, 2022	29,985.93	53,060.36	-	83,046.29

42 Accounting ratios

i) Current ratio

The current ratio is used to assess a company's short term liquidity. It is calculated by dividing the current assets by current liabilities.

ii) Debt-equity ratio

"Total debt" is defined as aggregate of non-current borrowings and current maturities of long term-borrowings and total equity includes issued capital and all other equity reserves.

iii) Debt service coverage ratio

The Debt Service Coverage Ratio (DSCR) measures the ability of a company to use its operating income to repay all its debt obligations, including repayment of principal and interest on both short-term and long-term debt. It is calculated by dividing net operating income by the total debt service (Interest and principal).

iv) Return on equity ratio

Equal to profit for the year divided by the equity during that period, and is expressed as a percentage.

v) Inventory turnover ratio

Inventory turnover indicates the rate at which a company sells and replaces its stock of goods during a particular period. The inventory turnover ratio formula is the cost of goods sold divided by the average inventory for the same period.

vi) Trade receivables turnover ratio

Accounts receivable turnover ratio is calculated by dividing your revenue from operations by your average accounts receivable. The ratio is used to measure how effective a company is at extending credits and collecting debts.

vii) Trade payables turnover ratio

This ratio is used to measure the number of times the business is paying off its creditors or suppliers in an accounting period. It is computed by dividing the total purchases by average accounts payable.

viii) Net capital turnover ratio

It is calculated by dividing annual sales by average stockholder equity (net worth). The ratio indicates how much a company could grow its current capital investment level.

ix) Net profit ratio

The net profit percentage is the ratio of after-tax profits to net sales. It reveals the remaining profit after all costs of production, administration, and financing have been deducted from sales, and income taxes recognized.

x) Return on capital employed

Return on Capital Employed is calculated by dividing our EBIT during a given period by Capital Employed (net worth, total debt, deferred tax liability) during that period.

xi) Return on investment

Return on investment (ROI) is a performance measure used to evaluate the efficiency or profitability of an investment or compare the efficiency of a number of different investments. To calculate ROI, the benefit (or return) of an investment is divided by the cost of the investment.

Ratio	Numerator	Denominator	As at 31 March 2023	As at 31 March 2022	% change	Reason for variance
i) Current ratio	Current assets	Current liabilities	1.09	1.54	-29%	The change is majorly due to increase in company's trade payable balance
ii) Debt-equity ratio	Total Debt	Total Equity	0.55	0.01	6770%	The change is due to significant increase in borrowings in the current year as compared to prior year
iii) Debt service coverage ratio	Earnings available for debt service= Net Profit after tax+ Non cash operating expenses+ Interest + Other adjustments like loss on sale of fixed assets, etc	Debt service= Interest & lease payments + Principal Repayments	2.55	2.44	4%	NA
iv) Return on equity ratio %	Net Profit after tax	Average Shareholders equity	0.29	0.40	29%	The change is due to increase in other equity in the current year, majorly due to profits earned during the year.
v) Inventory turnover ratio	Cost of Goods sold = opening inventory + purchases - closing inventory	Average Inventory	10.88	13.28	-18%	NA
vi) Trade receivables turnover ratio	Revenue from operations	Average Accounts Receivable	23.19	25.18	-8%	NA
vii) Trade payables turnover ratio	Total Purchases	Average Trade Payables	1.29	1.89	-32%	On account of better negotiations and cost management in the current year
viii) Net capital turnover ratio	Net sales	Average Shareholders equity	2.42	2.83	-14%	NA
ix) Net profit ratio %	Net Profit	Net Sales	11.77%	14.27%	18%	NA
x) Return on capital employed %	Earnings before interest and taxes	Capital Employed = Net Worth + Total Debt + Deferred Tax Liability	29.86%	31.70%	-6%	NA
xi) Return on investment %	Interest (Finance Income)	Investment	5.38%	10.18%	-47%	The decrease in interest income is mainly on account of maturity of fixed deposit in previous year.

43 Dues to Micro and Small Enterprises as per the Micro, Small and Medium Enterprises Development Act, 2006 (MSMED):

	(Rs. in lakhs)	
	March 31, 2023	March 31, 2022
(i) Principal amount due to suppliers registered under the MSMED Act and remaining unpaid as at year end	588.56	461.37
(ii) Interest due to suppliers registered under the MSMED Act and remaining unpaid as at year end	-	0.21
(vi) Interest due and payable towards suppliers registered under MSMED Act, for payments already made	-	0.21
(vii) Further interest remaining due and payable for earlier years	-	15.00

44 Other Statutory Information

- (i) The Company do not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.
(ii) The Company has balance with below- mentioned companies struck off under section 248 of Companies Act, 2013:

Name of struck off Company	Nature of transactions with struck-off Company	Balance outstanding		Relationship with the Struck off company, if any, to be disclosed
		As at March 31, 2023	As at March 31, 2022	
T2K Fire & Security Private Limited	Retention Money	(1.04)	(1.04)	None

- (iii) The Company do not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.
(iv) The Company is in compliance with number of layers of companies, as prescribed under clause (87) of Section 2 of the Act read with the Companies (Restriction on number of Layers) Rules, 2017.
(v) The Company have not traded or invested in Crypto currency or Virtual Currency during the financial year.
(vi) During the year ended March 31, 2023, no funds have been advanced or loaned or invested funds to any other person(s) or entity(is), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:
(a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or
(b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries
(vii) The Company have not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:
(a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
(b) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries,
(viii) The Company does not have any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961
